

7/1/2020

Maddalena's CheeseCake & Catering Co. is dedicated to serving our community and keeping our customers and staff safe. As the **Coronavirus COVID-19** affects our communities, our work as your local Grab 'n Go store continues. We are vigilant, heeding all federal, state and local health advisories and, where it makes sense, adjusting efforts to safeguard the health and safety of our staff and customers. To date, we have taken the following precautionary measures:

UPDATE Reopening: On 07-07-2020, we will once again allow customers to enter our store: Our space is small therefore we will **Limit 1 customer** at a time. We have added a table in the check-out area to increase the space between our customers and our cashier. Please take turns and understand that our store is not large and we want everyone to feel safe and be protected with the appropriate social distancing

Hand Washing Station: At our entrance, we have provided a portable hand washing station with soap, hot water and paper towels to promote health and safety. Everyone is encouraged to use it on the way in and on the way out of our store.

Curbside Pickup Still Available: For your convenience we have created an online menu. Submit your order online and we will call to confirm your order & your pick up time. We will ask for your address credit card number and exp. date. We will create an invoice and make a payment using your credit card information. Next we will email your paid invoice to you confirming your pickup time. We will deliver your prepaid order to your car. When you arrive please call 609-466-7510 and we will bring your paid order to your car. So far we have been able to react very quickly usually within 15 minutes but a lead time of 1 hour is greatly appreciated.

NEW STORE HOURS AS OF MARCH 30TH

Closed Monday

Tuesday – Saturday 11 – 5

Sunday 11 – 4

ORDER IN ADVANCE For Curbside Pickup try to give us a 1 hour lead time. However, if you have not pre-ordered by the time you arrive at Maddalena's we can still do your shopping for you and bring your order to your car.

Prioritizing Good Hygiene Practices: We are providing continuous reminders about good hygiene practices and supporting our staff with necessary resources to stay informed. Our staff frequently washes their hands and wear gloves when handling food.

Increasing Routine Cleaning: We are committed to providing a safe and clean shopping environment and have increased the frequency of cleanings. We are using a bleach mixture, paying close attention to high touch areas such as door knobs, restrooms, register areas, grocery carts, phones, light switches and hand baskets.

Sampling Products: As an added precaution, we have eliminated the practice of product sampling until further notice.

Please note that the situation is ever-changing and we will do our best to post any changes on our facebook page and on our website.
